STEEL RV COVER BOXED EAVE CARPORT

CALL NOW TO ORDER!

Looking for a safe space to store your RV, motorhome, or camper between trips? This 12x31 RV Cover is an outstanding solution. At 12' W x 31' L x 10' H, it provides 372 sq. ft. of storage space. Comfortably stores one RV, car, truck, or assorted lawn equipment. Added panels on each side help shield your valuables from inclement weather. Steel frame walls are 1' shorter than the roof length. Customize dimensions, features, and much more. Choose from our large color selection to match your style and existing structures on your property.

Manufactured with premium-grade galvanized steel framing and 29 gauge roof panels. Reinforced with bracing on the corners and center. Concrete-specific anchors included at no extra charge. Innovative truss design supports buildings up to 60' wide, without any interior supports needed. The Boxed Eave Roof is a sturdy, aesthetically pleasing roof that is guaranteed to be free of leaks and other defects.

LAND/CEMENT FOUNDATION MUST BE LEVEL

- Cement should be 1 ft. shorter than roof length.
- Cement must be level and square from corner to corner.
- Return trip fees will apply if building is not installed.

In order to get the highest quality installation, we ask to have the site prepared and ready to go on the day of installation. There should be no electrical wires less than 15 feet above the peak height and confirm no underground utilities will be impacted by the installation process (must be 4' or more beneath the impacted areas for ground installation). Remember, all of our structures come with free installation and free delivery.
