Monday - Friday, 8:30 to 7:00 Eastern; Saturday, 10:00 to 3:00; Sunday closed

### TOP QUALITY RV CARPORT WITH REGULAR ROOF

**CALL NOW TO ORDER!**

Constructed using only high-quality steel and built to last for years to come, this durable RV carport is an excellent way to protect your RV from the threats of severe weather and falling debris. At a height of 12', this RV carport can easily house most recreational vehicles and features extended side walls for additional protection from wind-blown debris. Measuring 16' wide and 36' long, this RV carport provides more than 550 square feet of protected storage space. All of our shelters can be designed and certified to withstand severe weather conditions specific to your area.

#### LAND/CEMENT FOUNDATION MUST BE LEVEL

- Cement should be 1 ft. shorter than roof length.
- Cement must be level and square from corner to corner.
- Return trip fees will apply if building is not installed.

In order to get the highest quality installation, we ask to have the site prepared and ready to go on the day of installation. There should be no electrical wires less than 15 feet above the peak height and confirm no underground utilities will be impacted by the installation process (must be 4' or more beneath the impacted areas for ground installation). Remember, all of our structures come with free installation and free delivery.
